Central Louisiana  
Trauma Conference**

**Date: Aug 27, 2010**

**Time: 7:30 am-5:00 pm**

National EMS Academy  
2916 North University  
Lafayette, LA 70507

## Symposium Goal & Objective

The goal of the Trauma Symposium is for healthcare professionals to update and expand their knowledge in the diagnosis and treatment of trauma patients, thus improving the quality and the continuity of care that is delivered. The objective of this program is to provide continuing education on current issue, trends and practices in trauma care.

## Target Audience

Physicians, physician assistants, nurse practitioners, registered nurses, licensed practical nurses, and other allied healthcare professionals such as paramedics.

## Continuing Education Credits

The **Woman's Foundation, Inc.** designates this educational activity for a maximum of **5.5 AMA PRA Category 1 Credit(s)™**.

**Physicians should only claim credit commensurate with the extent of their participation in the Activity.**

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Louisiana State Medical Society (LSMS) through joint sponsorship of Woman's Foundation, Inc. and EMS Council of Louisiana. The Woman's Foundation, Inc. is accredited by the Louisiana State Medical Society (LSMS) to provide continuing medical education for physicians.

The Woman's Foundation, Inc. takes responsibility for the content, quality, and scientific integrity of this CME activity.

This Provider Paced Activity provides 5.5 contact hours for nurses through Lafayette General Medical Center Education Department Provider Unit.

Lafayette General Medical Center Continuing Nursing Education Provider Unit is an approved provider of continuing nursing education by the Louisiana State Nurses Association, an accredited approver by the American Nurses Credentialing Center's COA.

LSNA and ANCC Commission on Accreditation do not approve or endorse commercial products associated with this activity.

Participants must be present and successfully complete all requirements of the program to be eligible for CNE Contact hours.
